

Karuna Therapeutics to Participate in Stifel's 2nd Annual CNS Day Virtual Event

March 26, 2020

BOSTON--(BUSINESS WIRE)--Mar. 26, 2020-- Karuna Therapeutics, Inc. (Nasdaq: KRTX), a clinical-stage biopharmaceutical company committed to developing novel therapies with the potential to transform the lives of people with disabling and potentially fatal neuropsychiatric disorders and pain, today announced that Steve Paul, M.D., chief executive officer, president and chairman of Karuna Therapeutics will participate in a panel presentation at Stifel's 2nd Annual CNS Day Virtual Event on Wednesday, April 1, 2020.

About Karuna

Karuna is a clinical-stage biopharmaceutical company committed to developing and delivering first-in-class therapies with the potential to transform the lives of people with CNS disorders – which remain among the most disabling and potentially fatal disorders worldwide. Galvanized by the understanding that today's neuropsychiatric and pain management patients deserve better, Karuna's mission is to harness the untapped potential of the brain's complex biology in pursuit of novel therapeutic pathways that will advance the standard of care.
