The information contained in Item 1 and Item 3 above is herein incorporated by reference.

The shares of Common Stock reported in this Schedule 13D were acquired for the purpose of investment and were not intended to and did not effect any change in the control of the Issuer.

The Reporting Persons from time to time intend to review their investment in the Issuer on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, general economic and industry conditions, the securities markets in general and those for the shares of the Issuer's Common Stock in particular, as well as other developments and other investment opportunities. Based upon such review, the Reporting Persons will take such actions in the future as the Reporting Persons may deem appropriate in light of the circumstances existing from time to time. If the Reporting Persons believe that further investment in the Issuer is attractive, whether because of the market price of the Common Stock or otherwise, they may acquire shares of Common Stock or other securities of the Issuer either in the open market or in privately negotiated transactions. Similarly, depending on market and other factors, the Reporting Persons may determine to dispose of some or all of the shares of Common Stock currently owned by the Reporting Persons or otherwise acquired by the Reporting Persons either in the open market or in privately negotiated transactions.

Except as described above, none of the Reporting Persons currently has any plan or proposal that relates to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.

Item 6. Contracts; Arrangements, Understandings or relationship with respect to Securities of the Issuer

Bharatt Chowrira, an officer of PureTech Health plc, was a member of the Board of Directors of the Issuer from March 2017 until December 2019, and, accordingly, the Reporting Persons may have had the ability to affect and influence control of the Issuer until such time of his resignation.

Amended and Restated Investors' Rights Agreement

PureTech Health and certain other stockholders of the Issuer entered into an amended and restated investors' rights agreement with the Issuer (the "Investor Rights Agreement"), dated as of March 15, 2019. Pursuant to the Investor Rights Agreement and subject to the terms and conditions therein, the parties agreed that:

Registration Rights

Following the closing of the IPO, the holders of a certain number of shares of Common Stock, or their transferees, are entitled to the registration rights set forth below with respect to registration of the resale of such shares of Common Stock under the Securities Act of 1933, as amended (the "Securities Act") pursuant to the Investors Rights Agreement.

Demand Registration Rights

Beginning 180 days after the effective date of the registration statement for the IPO, upon the written request from the holders of at least 40% (or a lesser percent if the anticipated aggregate offering price, net of selling expenses, would exceed \$10.0 million) of the outstanding registrable securities (as defined in the Investor Rights Agreement), the Issuer is required to file a registration statement and use commercially reasonable efforts to effect the registration of all or a portion of its registrable securities for public resale. The Issuer is required to effect only two registrations pursuant to this provision of the Investor Rights Agreement.

Form S-3 Registration Rights

Pursuant to the Investor Rights Agreement, if the Issuer is eligible to file a registration statement on Form S-3, upon the written request of the holders of registrable securities, the Issuer is required to file a Form S-3 registration statement with respect to their registrable securities so long as the total amount of registrable securities requested to be registered has an anticipated aggregate offering price to the public, net of selling expenses, of least \$5.0 million. The Issuer is required to effect only two registrations in any twelve-month period pursuant to this provision of the Investor Rights Agreement. The right to have such shares registered on Form S-3 is further subject to other specified conditions and limitations.

Piggyback Registration Rights

Pursuant to the Investor Rights Agreement, if the Issuer registers any securities either for its own account or for the account of other security holders, the holders of registrable securities are entitled to include their shares of Common Stock in the registration. Subject to certain exceptions contained in the Investor Rights Agreement, the Issuer and the underwriters may limit the number of shares of Common Stock included in the underwritten offering to the number of shares of Common Stock which the Issuer and the underwriters determine in its sole discretion will not jeopardize the success of the offering.

Indemnification

The Investor Rights Agreement contains customary cross-indemnification provisions, under which the Issuer is obligated to indemnify holders of registrable securities in the event of material misstatements or omissions in the registration statement attributable to it, and the holders of registrable securities are obligated to indemnify the Issuer for material misstatements or omissions attributable to them.

Termination of Registration Rights

The demand registration rights, short form registration rights and piggyback registration rights granted under the Investor Rights Agreement will terminate on the fifth anniversary of the completion of the IPO.

The Investor Rights Agreement is more fully described in the prospectus filed in connection with the Issuer's IPO and was filed as Exhibit 4.2 to the Issuer's Form S-1 Registration Statement (File No. 333-231863), and such description is incorporated herein by reference.

Except as disclosed herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons and any other person with respect to any securities of the Issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
